2. Is there anything else that you would like for the donors to know?

**** Please note that we are fortunate in Morgan County to have multiple supporters who provide scholarship assistance for our young people wishing to attend camp. This form covers several of those organizations, however the Morgan County Cattlemen's Association utilizes a separate scholarship application for their own educational scholarship committee to consider. To ensure consideration for all of the financial assistance that all of our supporters provide to our 4-H youth in Morgan County please consider filling out both applications ****

We will do our very best to notify scholarship recipients of their award by April 29th.

(Occasionally a donation comes in after that date which would result in a later award notification)
